PREFACE

This is the 15th issue of Agricultural Prices in India. Like the previous issues, this volume gives information on index numbers, wholesale and retail prices and world statistics of various agricultural commodities for the five years—1981 to 1985. The previous (14th) issue published in May, 1982 covered the period 1975 to 1982 (March). However, some of the data for the period 1981 onwards available till the time of publication were only provisional in nature. As such the present issue also covers the period from 1981 but incorporates final figures which have since become available. In this issue some of the data from 1984 onwards are provisional.

The detailed work in the preparation of this publication has been done by the Wholesale Prices & Tariff Branch of the Directorate of Economics & Statistics, Ministry of Agriculture under the guidance and supervision of Shri V. R. Suri, *Deputy Economic & Statistical Adviser*, Shri Harcharan Singh, *Deputy Director* and Shri S. K. Mukherjee, *Assistant Director*.
